## ON THE LIBERAL ARTS

"The destruction of the tradition of the liberal arts at this crisis in our history . . . would be a crime comparable in my opinion with the burning of the books by the Nazis . . . Burn your books . . . or, what amounts to the same thing, neglect your books . . . and you will lose freedom as surely as if you were to invite Hitler and his henchmen to rule over you."

"The liberal arts, we are told are luxuries. At best you should fit them into your leisure time. They are mere decorations upon the sterner pattern of life . . . Men and women who are devoting their lives to such studies should not be made to feel inferior, apologetic in the face of a PT boat commander or the driver of a tank. They and all their fellow citizens should know that the preservation of our cultural heritage is no frivolous . . . It is what we are fighting for." — Wendell Willkie.

## THE FOUR FREEDOMS

Ever since the words were first uttered by President Roosevelt at the formation of the Atlantic Charter, The Four Freedoms have become a part of the American ideology.

One of America's foremost artists, Norman Rockwell has painted, for the Saturday Evening Post, pictures to symbolize the Four Freedoms as they exist in the pattern of American life.

The Four Freedoms are also illustrated in another way — by pictures which are written. The Post commissioned four American writers, not to explain the pictures, but to put into words their own conceptions of the Four Freedoms.

Through the courtesy of the Saturday Evening Post these paintings have been reprinted and copies of them are on display in the Trumpet Office. The Post has published and distributed these sincere interpretations of the Four Freedoms in hope of giving deeper meaning to the principles the world is now fighting to maintain.

Every Wartburgian is invited to the Trumpet Office to see the Trumpet.

## QUIPS &amp; QUIRKS

from  
the editor's desk

Comments on the trumpet and the game of freshman football. The trumpet really played a swell paper and we, the older staff, enjoyed the vacation, knowing that the paper was in good hands.

Please, Miss Roark, don't make Margaret quit the Trumpet; she's a BIG help around here!

One day last week there was a quiet discussion in Chemistry 102 class. Dr. Lechner was the professor and he approached the argument and there was no quieting them. Finally Al blurted out, "Lechner, you are probably the only teacher that ever came to Wartburg."

At this point Prof. Swensen interrupted, "Boys, boys," he shouted, "you forget I am here."

This part next week, a Red Cross meeting was held in the gymnasium. The campus was still a long way from full of coats, but yet why not take out membership in the Red Cross? Selections were sung by the boys' quartet, the girls' quartet, the boys' octet, and the mixed chorus.

Friday matins service was led by James Hughes, senior from Strawberry Point, Iowa.

## Organizations

## \* \* \* \* \* Luther League

For the first time on April 10, the Luther League plans to hold a scavenger hunt.

Dick Wiederaender, led the Luther League in a discussion on April 4 on the subject "The Enemy of War". A case about a high school student who had the advantage of public school property.

The central thought of the discussion was "Liberate" is the word used by Love-burnett. This was the last in the Luther League's series of discussions.

## \* \* \* \* \* K.W.A.A.

The W.A.A. girls were the early birds who caught the worm; namely, the first picnic of the year.

With the members, by bicycles, feet, and Mrs. LaBahn's car, journeyed to Riverview park on their regular meeting day to have a bonfire.

The efficient home ee scouts, Small and Helene, built the fire and the girls, who had been at camp since it wasn't long before bacon and eggs were sizzling deliciously.

Then Henn donned one bottle of pop to the fish of the Cedar.

After the last dying ember of the fire, the girls no longer seemed to have the desire to remain at the peaceful campsite to have another plan for more fun outings.

Her Bite Is Worse

Wartburg is not going to lose your temper with anyone don't lose it with Racine, because you might lose your head! Or she might even bite your head off! Darlene Brandt tried backsliding into her last Wednesday night with the result that she got a "cold in her brain". It happened in the girls' volleyball game when Brandt, trying to back up a stiff punch to the ball, got in Racine's way when her mouth was open. And Racine bit! Who knows, maybe Darlene will be the answer to the meat rationing!

## Knights To Remember

(On the Trail of Wartburg Alumni)

After a month's vacation in which the freshmen attempted to take up the slack, the 1st year students, without the help of their seniors, again go to press in the issue number.

For many years now, our old stand-by "Bulbs" Price ('40) returns with his new address at 111 S. 1st A. A. F.—T. T. Class 1. See B. B. (38) of Clinton, Missouri. "Bulbs" was obliging, brave enough so that when ever he had to go to the doctor (Dan Burches note) he did not let him move right in, and every time he moves, he moves a great deal.

Wendell Harstad ('43) who enlisted in the army reserves last August, has had a full week a week and reported at Camp Dodge April 6 for active duty. As many young couples are on the count, he has his wife follow their things away and breaking up household this week. She plans to be home in time between their parents and hers.

Lieut. Elmer W. Kretzschmar ('33) was born from that place where clouds are born, the land of men and where men and women get rid of their mistakes, namely Reedsburg, Wis. He is a 100% boy who did right well by coming third in the team and Coach Cleary.

The Lieutenant's address is 391 Base Hq. & Air Base San, Reno, Nevada.

Walter Beatty ('40) a second year science class, is taking a 16-week course at the naval store maintenance mechanics near Oklahoma City, a new school with his outfit. He will be home for a month to be there from six months to a year and will be joined later this month by Mrs. Bergmann who will stay in the Mrs. as long as he is there.

His new address is 801 A. D. G. Field, So. 0. C. Bld. D. Tinker Field, Oklahoma City, Okla.

Jean Meyer ('33-39) has received his call to report for active

in the army air corps at Omaha, Neb. He will be shipped from the call to San Antonio, Tex. for training.

Edison C. Schumacher ('40-42) former pre-theological student, has come along no halo, last week at Central High, Waverly, Iowa, where he is training to be a naval cadet.

## What Are You Doing Tonite? OR Let's Go To Sports Night!

By Jack Meyer

Most of the students around the campus are not the type to believe the sun-fellows students, I am sure, dispel that impression. The North Field, the South Field, the Bullies with the Butches have challenged the W. A. A. to a base ball game. The W. A. A. is not enough, I will admit that they are going to play girls' rules—and even dress like girls.

Can you imagine these

girls having Muklukas, trying to mop up the floor with our friends of the weaker sex? I am sure that the girls will go to Sports, Nile, Sardine, (That's notch, don't forget) and witness this spectacle.

But wait a minute, there is a new girl on the ball staff who is going to be demonstrating. That ought to be interesting. Reindeer is supposed to Van Dyke, Kyle, Danner, and

### No School Easter Monday!

There will be no school on the Monday after Easter! This was agreed by the faculty Monday night after a request to that effect had been submitted by the student senate.

The Student Senate would appreciate it if the students would show their gratitude by NOT asking for spring outfit this year. With the streamlining of the school year, there is no time for another holiday this year.

### Minstrel Proceeds Going for War Bond

All proceeds from the "Top-Hat Minstrel" being given by the Wartburg students on May 11, 1943 will be turned over to the War Committee for purchase of War Bonds. It was announced this week.

Since the proceeds are to be used for War Bonds, the sophomore class has gone into other ways to raise money. New changes have been made in the endowment, some taken from the endowment, some from the senior class.

Among the feature attractions will be "Obie" Wright at the piano. An invitation has been extended to the Wartburgers to help support the Minstrel.

The play is being produced by the Wartburg Players presented at the Auditorium on April 8 over W.O.F. The religious play, "The Resurrection of Christ" by Rev. Martin Bach, was presented in the section of Miss Lucille Cyrensen.

## Knights Open Baseball Season at Luther Apr. 17

Meets Fee First Time on Diamond.

The 1943 edition of the Wartburg Knight baseball team will travel to Luther college at Decorah for their first encounter of the season on Saturday, April 17. It will be the first meeting of the two schools in baseball.

Coach C. C. Van Dyke has been working hard on his team in an attempt to patch up the team and hopefully intensify the past two weeks in order to find a winning combination. Only one letterman from the 1942 members from last year have re-ported to Coach Van this season. Every other student member is a freshman.

In the first week drills consist entirely of loosening up and a little bit of practice. Pitchers have been working out regularly with the catching candidates and most of the players have been turned out at work against good pitching in the batting drills.

At the present time the practice is at the end of the second week of practice. The pitching duties will be handled by two freshmen who come to the Knights with a wealth of experience from their high school days—Merlyn Klein, a freshman from Pomeroy, Iowa, and Henry Finsen, a sophomore ball pitcher from St. Joseph, Ill. Both are right-handers. As their batters are not yet good, the players are hitting it out for the catching position. Dick Wolf, and Bob Miller, Eddie Miller and Milt Meister are fighting it out for Coach Van's nod to do the catching. Nothing definite can be said concerning the positions at this time. With many of the boys showing great promise, the final positions will not be decided until Late next week just before the first game.

The small batch of returning players are as follows: Captain Jim Hughes, Lawrie Sailor and Bert Schwien from last year's squad. Also returning are Emil Dooley, Egon Allen, Bob Sailor, Leo Kerscher, Robert Lang, George Reinke, John Rose, Don Lohs, Jerome Bangert, Merlyn Klein, Dick Lechner, Eddie Flesner, Dale Wulf, Herbert Loh, Ben Anderson, and Bill Riggert.

Four new boys have been scheduled to the Knights thus far. They are as follows: April 17—Lester Duncanson, May 1—Lester W. Weller, May 17—Upper Iowa at Fayette. Another game has been scheduled for Upper Iowa to be played at Waverly, but a date has not been selected.

### Captain

Jim Hughes, snappy second knitter, is captain of the 1943 Knights of the Diamond. Jim was a regular on second base last season, and this year will be a regular on second base again. He has been working hard at work against good pitching in the batting drills.

## 13 BOYS OUT FOR KNIGHT TENNIS TEAM

Engelbrecht, Heist, Only Letter Men

Thirteen boys report for opening tennis drills at Wartburg this year. They are Jim Loeffelholz, Weller, Diamond, Foresman, Ralph Fischer, Ronald Roschus, Bill Uhrich, Ervin Heist, George Reinke, Bob Engelbrecht, Eddie Miller, John Rose, John Staubenwald, and Harold Oenner.

The two returning lettermen are Heist and Engelbrecht, both of Waverly.

Coach W. H. Roselius has arranged the following schedule for his first session as manager April 17, Luther at Decorah. May 6, Luther at Waverly.

May 12, Waverly at Decorah. May 8, Lucas (tentative).

A return match with Dubuque will also be played, but the date has been lost.

### Players Cancel Final Production

The first production of the Wartburg Players for the year has been canceled. The play was to be produced this week, but was postponed this week by Lucy Cyrenean, director of physical education. Session tickets may use the last night of the opening of "H.M.S. Pinafore" being given by the music department on April 29 and 30.

Bang, bang! "Dinner time" and Shucks! Who wants to eat another "Killer Crab"? I'll eat one at my table! I'll get those potatoes and the meat and see what I can get. I'll eat what I can eat right I can have my potato filled before the rest can get seated.

Everyone is seated when a stranger walks in—bold headed, big-bellied, bald-headed, and with a look of intent—

"Reichart, take this not to... to... you know."

This is one of the boys who would have starved if it weren't for Helen Marie Battice, Shorty, their wife, who has been in the corner wrestling with Tuff, when:

"Via Gold!" (Shorty, get us some rations, we're starved.)

Shorty, "There isn't any left," Mickey, "Shorty, (big smile) get us some bread with raisins in it." Shorty is back with raisin bread.

When the meal is half over, in comes Harry boy, "I know you know," "Killer" Cron-rath and the rest. For the next two hours we'll be running and running to and fro from their table at break-neck speed applying their "Killer" skill.

There are always little lopops in noise, and during one of these Al Martin can be heard remark, "He's tall and thin, he's got a good head."

I.Q. Sanger is trying to eat out his table again, but Vic Schuldt proves too much for him.

They say, "I.Q. has had a good thing in the wallet now, a table back a foot so he would have a direct line of vision to Kunkle."

Don Batters tells Wulf to speak him a pound of butter, but Wulf doesn't care. Mrs. Clegg can't get him to eat, and made him scrub the floor on his hands and knees.

## Behind The Varsity

By Jim Hughes

Finally it looks like spring is definitely here, and with it comes baseball and tennis for the Knight athletes. Baseball has always been a major sport at Wartburg, and it looks like tennis is rapidly coming into its own on the campus as a major sport. For the first time as long as this writer has been at Wartburg the tennis squad has a coach. He is Wm. Roselius, who has taken over the coaching of the tennis and is trying to do as many new meets as he can for the boys. His squad is the largest ever seen at Wartburg and he has two veterans around whom he can develop his team. Thirteen men reported to Coach Roselius, and the two lettermen in this group are Erwin "Butch" Heist, and Bob Engelbrecht. Both boys are from Waverly, and have played a lot of tennis, both for Waverly high school and for the Knights in past years.

### Baseball

The baseball team will be as inexperienced in college baseball as any team could be. Only one letterman has returned from last year. Another non-letterwinner is also on hand and the rest of the squad is composed entirely of freshmen. However, the team is not to be despised, and a strong fighting-ball club is promised by Coach Van Dyke. The Knights are playing perhaps the toughest schedule they could ask for. Their opponents to date include only Upper Iowa and Luther, two of the top college teams in the state. Coach Van has also contacted a couple of teams in Minnesota and also is trying to get some more games with Iowa conference schools, but thus far, things are indefinite.

Finally, to close, the entire baseball squad turned out to help build a much-needed backstop for North Field. The boys worked hard all day and finally finished the job. They are quite proud of their achievements, especially since they picked up odds and ends around school to build it. Why don't you students come out and see what a really good carpentering job the boys did. At least this work shows that there is quite a lot of baseball interest among the players at least. We only hope that the students will show as much interest when the Knights start their season next Saturday up at Decorah.

### Sports Night

Tonight the annual sports night is to be held in the gym. All the students are invited to come and see what the various sports programs are up to. The students have worked hard and feel they have indeed put on a good show. The program lined up. Everybody turn out and have some fun watching crazy basketball and something even funnier, Judo. It will be a great evening for laughs or I miss my guess.

The flow of these benefits to families in 21 states, is doubly important in wartime because it helps strengthen the home front, benefiting not only individual families but the communities in which they live.
